Help Complete the Cure by promoting Jeans Day during September

Everybody wins when you and your company launch a Denim for Dollars campaign! Employees can “buy” a jeans day when they make a \$1 donation to your Denim for Dollars campaign benefitting Children’s Cancer Research Fund which supports leading pediatric cancer researchers committed to finding better treatments and cures for kids with cancer.

We’ve made it easy to host your own campaign:

1. [Click Here to Sign up](#) your company to receive recognition of your participation on our completethecure.com site and in post-campaign email.
- 1) Download the flyer to post in common areas of your office and to send out in email to announce your campaign to all employees.
- 2) Download the sign to cover a coffee can or other container to promote the campaign and collect the donations.

You can pick a week or a day during September, or hold the campaign all month long.

Contact Colleen Norton at cnorton@childrenscancer.org with any questions.

When your campaign is complete, please send a check for the total donation amount to:
